**And attend BCFW's 2-day Anti-Sexual Harassment  
Policy Implementation Training.**

**05th-06th September 2023, Port Moresby**

**Training plays a crucial role in preventing sexual harassment:**

- Training helps raise awareness about what constitutes sexual harassment, its various forms and the impacts it has on individuals, teams and the organizations as a whole.
- Training establishes clear standards of behavior within the workplace and creates a respectful and inclusive work environment
- Training programs emphasize the importance of reporting incidents of sexual harassment promptly while at the same time ensuring confidentiality
- Sexual harassment prevention training reinforces the importance of respectful behavior
